IIT KHARAGPUR

INTER IIT TECH MEET 10.0

25-27TH MARCH 2022

ENGINEER'S CONCLAVE

The Engineer's Conclave is a platform for showcasing ideas that address critical issues in various engineering sectors. Participants in this event present their projects, which give us an insight into the students' skills and their ability to use the resources available to them. Every IIT is permitted to present a maximum of 5 projects with participation points for each project.

LOW PREP

REPORT

Every IIT is required to choose five projects and give a report on each one.
The following information should be included in the report:

1. Name of the project
2. The problem addressed by the project (in 50 words)
3. Proposed solution (in up to 500 words)
4. Data insights (if any)
5. Test results, surveys, references, video links (if any)
6. Team Members' Name and Institution Name.

A report template will be provided for it. A maximum of 5 pages can be used for the report.

The entire report should be 1.15 spaced and have a font size of 9.

POSTER

Each team has to make an A2 size virtual poster for presentation according to the provided template. The poster must contain

1. Project Name and Team Members
2. Abstract
3. Diagrams(if any)
4. Methodology
5. Conclusion
6. References

PROJECT PRESENTATION:

Three students from each team will showcase their project in the online exhibition.
A total of 15 students can be part of the team.

EVALUATION CRITERIA:

Each project will receive 30 points for participation.
This event has a maximum score of 150 points.

SUBMISSION TIMELINE:

1. Report submission: March 21, 2022
2. Report template: https://bit.ly/37fBdnZ
3. Poster submission: March 24, 2022
4. Poster template: https://bit.ly/Poster_template

All submissions must be mailed by the Contingent Leader only to submissions@interiit-tech.org.
