

IIT KHARAGPUR

INTER IIT TECH MEET 10.0

25-27TH MARCH 2022

STUDENTS ACADEMIC CONFERENCE

The Students Academic Conference(SAC) comprises students from IITs across India, where undergraduate and postgraduate students from all disciplines get a chance to present their research work in an exhibition format. At SAC, students get to meet like-minded people who share their passion and interests, which will help them connect with researchers in their respective fields. All teams should choose their top five abstracts from diverse disciplines and present them during the event. The event is going to be attended by professors and Ph.D. scholars.

Only papers that have been published in the last two years in National/International conferences should be submitted.
